TERM 3 WEEK 10

Our school celebrates learning every day and our mission statement is,

“A school dedicated to providing inclusive quality learning environments, and a school culture that promotes high expectation and success for all.”

Whole School Assembly

Our next whole school assembly will be on Wednesday the 26th October 2022. Invitations will go home to parents and carers of the students who will be receiving awards letters this week. If you have not registered with Sentral please contact the office so that you don't miss out on school information. The assembly will begin at 2pm. We ask parents not to come into the school until 1.50pm to allow the teachers to support students to the hall from the classroom. **If you arrive before this time you must wait in the 50th Anniversary Garden until notified to enter the assembly cola.** Thank you to the parents and carers that followed this request last week.

Stage 3 Camp to Canberra

Our staff and students left for the Canberra camp very early Wednesday morning. They successfully arrived and have begun their tour of the Australian Museum. A big thank you to the staff Mrs Lewis, Mrs Farrell, Mrs Ruchalski and Mr Garnett who have given up their public holiday and personal time to ensure our students didn't miss out on the opportunity to go to Canberra and the snow.

Canteen Orders

Our school canteen is a healthy food canteen and we are bound by many regulations that ensures the food that our students eat is always the best quality for them. The guidelines stipulate that there are limits to the number of chicken nuggets the canteen manager can sell, which is 6 nuggets. Please be aware of this as we have some families that are ordering 12 nuggets for their children which is placing our canteen manager in a position where she will have to limit orders.

Children at school before 8.30am

We have many students who are arriving at school around and before 8.00am in the morning. Teachers are not on duty until 8.30am. Please make sure your child is not at school early when there is little supervision. We understand some parents need to go to work early, however other childcare arrangements should be organised to ensure everyone's safety.

Term 4 Start Date

School holidays begin on Friday the 23rd September, 2023. We hope all our families have a safe and enjoyable spring holiday. School will resume on Monday the 10th October 2022.

Share our Space

Our school will be closed these school holidays and won't be available to be used for the 'Share our Space'. We will have several maintenance issues being attended to over the school break with workers and vehicles in the school.
