TERM 2 WEEK 6

Our school celebrates learning every day and our mission statement is,

**"A school dedicated to providing inclusive quality learning environments, and a school culture that promotes high expectation and success for all."**

## Principal's Message

Dear Parents and Carers

As winter settles in and temperatures drop, we kindly ask for your assistance in ensuring our students stay warm and organised:

- **Labelling Belongings:** Please ensure that your child's jumpers, lunch boxes, and drink bottles are clearly labelled with their name. This helps us promptly return any misplaced items.
- **School Beanies for Sale:** For those chilly mornings, school beanies are available for purchase at the office. They're a cozy way to keep warm during recess and lunch.
- **Updated Term 2 Calendar:** The Term 2 calendar has been updated with new events. Be sure to check it out for upcoming activities and important dates.
- **New School Report Format:** Information regarding the new school report format will be sent out next week. Please review it to familiarise yourself with the changes.

We would also like to express our gratitude to the parents who are observing parking and driving regulations outside the school. Your efforts contribute to the safety and wellbeing of our school community.

Lastly, a reminder that this weekend is a long weekend. We look forward to welcoming students back to school on Tuesday.

Thank you for your continued support.

Regards  
Ms Martin

## **Debating News**

Kingswood South's Debating Team travelled to Werrington County Public School for their first debate of the year on Tuesday. The team comprising of Olivia M, Savannah B, Sophie W and Jasmine G. They performed extremely well, defeating a strong Werrington County team. The KSPS team argued the negative position against the topic "Competition is good for students." Our debaters identified, composed and delivered some very well considered arguments. The team also effectively rebutted the points made by their opposition. The teams next debate will be in three weeks against Kingswood Public School.

## **Penrith Mayors Primary Leadership Reception**

Each year the Mayor of Penrith holds the Penrith Primary School Leadership Reception to recognise student leadership in the Penrith primary schools. The schools can only send two representatives each year. This year Jasmine and Nash represented Kingswood South Public School. They received a certificate of recognition at the reception. The other school leaders will also receive a certificate of recognition which will be presented at the school. Pictured are Jasmine and Nash receiving the certificates at the Mayors Reception

## **NAIDOC Cup**

As part of our 2025 NAIDOC Week celebrations, Kingswood South Indigenous students have been invited to participate in the NAIDOC Cup, an inter-school sporting event that promotes community spirit, celebration and cultural pride. This year's theme, "The Next Generation: Strength, Vision & Legacy," emphasises unity, resilience and the richness of Aboriginal and Torres Strait Islander cultures.

The NAIDOC Cup will provide a fantastic opportunity for students to engage in friendly competition, build connections, and learn about the cultural history of NAIDOC Week. The event will take place on Friday 27<sup>th</sup> June 2025. Any families that haven't given permission please do so as soon as possible.

## **Boccia**

We are excited to announce KSPS will be sending a team of students from the Special Education Unit for the first time in 2025. This is the first time our school is entering the Boccia competition. Boccia is an exciting sport, inclusive of all students with disability. The competition will commence in Term 2, with the State Finals to be held in Sydney during Term 3. Our students will be competing at the Penrith Valley Regional Sports Centre Cambridge Park, on Thursday 19<sup>th</sup> June 2025. We wish them the best of luck for the competition.

## **Be Kinder Day**

To support our wellbeing programs, KSPS are going to celebrate B Kinder Day on Monday 23rd June 2025. During this day the children will be discussing what it means to be kind, how it feels to have kindness shown to you and they will also come up with some ways we can show kindness to others. All students will be making a card and writing to someone they care about. Students will then give the card to the person they have written to, increasing the ripple effect of kindness.

Our P&C will be selling some "kindness" merchandise on Friday 20th June and Monday 23rd June from 2.00-3.00pm outside Room 1 for our KSPS community to purchase. We encourage all students to wear mufti on this day. A note will go home with further information.

## **NATIONALLY CONSISTENT COLLECTION OF DATA**

### **ON SCHOOL STUDENTS WITH DISABILITY (NCCD)**

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.
