TERM 2 WEEK 8

Our school celebrates learning every day and our mission statement is,

"A school dedicated to providing inclusive quality learning environments, and a school culture that promotes high expectation and success for all."

Principal's Message

Dear Parents and Carers,

Last Thursday students from our Special Education Unit represented our school at the NSW Sport Boccia Competition held at Penrith Valley Regional Sports Centre. The students did a wonderful job not only competing and winning some of their games but showed great sportsmanship in every game. This was the first time our school has entered the Boccia competition. Boccia is an exciting sport; inclusive of all students with disability. The competition commenced in Term 2, with the state finals to be held in Sydney during Term 3.

Thank you to Mrs Farrell who trained the team and entered the students in the competition, and Mrs O'Neill for supporting the students throughout the day. It was a wonderful event that we will enter in again next year and I'm sure after this years' experience our team will continue to grow in their Boccia skills.

Today is 'B Kinder Day'. I hope all the students have a great day and remember to always be kind to each other, not just today but every day.

Regards
Ms Martin

"In a world where
you can be
anything, be
kind."

STRIVING FOR EXCELLENCE

Athletics Carnival

The Athletics Carnival will take place on **Monday 30th June 2025** at Harold Corr Oval, Herbert Street Cambridge Park. This is a brand new, state of the art, synthetic athletics track and will provide our students with a different experience to that of the traditional grass track.

All Stage 2 and 3 students are expected to attend.

All Year 2 children who are born in 2017 are also eligible to attend the carnival.

The cost for the bus is \$15 per student.

All students are to travel to the carnival on the bus, which will be departing shortly after 9am. If you are attending the carnival, you may take your child home with you at the completion of the carnival at 2.20pm. Students must be signed out with their classroom teacher. If you have organised for another parent to collect your child, you will need to have this in writing for the classroom teacher either before or on the day of the event.

Please ensure your child is dressed suitably for the carnival wearing house colours or the school sports uniform, including their school hat and suitable footwear. It is recommended that students bring warm clothing for changeable weather. All children will need to bring sufficient healthy food and drink for the carnival. Sunblock and extra water bottles are recommended.

NAIDOC Cup

On Friday 27th June 2025 our Aboriginal and Torres Strait Islander students will be participating in a friendly sports competition, building connections, and learning about the cultural history of NAIDOC Week. This year's theme "The Next Generation: Strength, Vision & Legacy" emphasises unity, resilience and the richness of Aboriginal and Torres Strait Islander cultures. The NAIDOC Cup will provide a fantastic opportunity for our students. Thank you to Mrs Wrona and Mrs Hardie-Grant who have organised our student's participation.

Winter Chills

Now that winter is here, please make sure your child leaves home each morning with appropriate cold weather gear, including a jumper and or jacket. Additionally, to help reduce mix-ups and keep track of all those school jumpers and school hats, please **label each item clearly** with your child's name. Labelling ensures lost items find their way back to their owner, a simple step that saves time, stress, and money. Also lunch boxes and drink bottles should also be labelled so that when K- 2 students leave them in the playground we can return their items.

B Kinder Day

To support our wellbeing programs, KSPS are celebrating B Kinder Day on Monday 23rd June 2025. During this day, the children will be discussing what it means to be kind, how it feels to have kindness shown to you and they will also come up with some ways we can show kindness to others. All students will be making a card and writing to someone they care about. Students will then give the card to the person they have written to, increasing the ripple effect of kindness.

Our P&C will be selling some "kindness" merchandise on Friday 20th June and Monday 23rd June from 2.00-3.00pm outside Room 1 for our KSPS community to purchase. We encourage all students to wear mufti on this day. A note has gone home with further information.

NSW Public Schools Student Survey - Years 3-6

In Term 2 we are offering our students the opportunity to participate in the NSW Public Schools Student Survey. The survey gives students the chance to share their thoughts and feelings about life at school, including questions about their engagement, learning experiences and wellbeing at school.

Hearing directly from our students will help us understand what's working well and where improvements can be made to our school. The survey is confidential, takes around 10 to 15 minutes to complete, and will be conducted online during school hours.

Participation is voluntary. If you prefer your child not to participate please complete the opt-out consent form, which will be sent home, and return it to the school.

Further information about the survey is available at <https://education.nsw.gov.au/npss>

PDHPE and Child Protection Lessons 2025

This year, students at KSPS will be involved in the mandatory subject Personal Development, Health and Physical Education (PDHPE). This subject prepares and supports students to lead and contribute to healthy, safe and meaningful lives; which promotes respect, responsibility, enjoyment, inclusion and social justice for self and others.

Our school's PDHPE program covers a wide range of education matter, including relationships, drug use, human sexuality, child protection, fundamental movement skill development, safety and physical activity. Some of the content of the program deals with sensitive issues. The school recognises this, by teaching about these issues within the context of a developmentally appropriate program and by providing information to you about the program.

The school program aims to encourage students to make informed decisions about their lifestyle, taking into account the values of the family, culture and religion to which they belong.

PDHPE will be delivered in classrooms weekly throughout the course of the year. The school is required to inform parents and carers of the content of the curriculum as it deals with sensitive issues. If you have any issues or concerns, please contact the school.
