

10th October 2023

Intention to apply for Year 7 placement in a selective high school in 2025.

Dear Parent/Carers

Selective high schools cater for high-potential and academically gifted students who may otherwise be without sufficient classmates at their own academic standard. Selective high schools help these students learn by grouping them with students of similar ability, and by using specialised teaching methods.

If you would like to have your child considered for Year 7 selective high school entry in 2025, you need to apply on the internet using a valid email address (not the student's email address).

Detailed instructions on how to apply and the link to the online form are at the [Selective high schools and opportunity classes Year 7 website](#).

Applications opened on 9 October 2023 and close on 20 November 2023. You must apply before the closing date.

You must submit only ONE application for each student.

The Selective High School Placement Test will be held on Thursday 9 May 2024.

The tear-off slip below is NOT an application, it is advice to the school that you intend to apply or have applied. The school CANNOT apply on your behalf.

Regards

Miss S Martin
Principal
