Let's Get Sporty Mufti Day! Friday 10th November 2023

Dear Parents and Carers,

Did you know that Kingswood South Public School has the fastest 100m runner in the state! That's right John Espenida is the fastest 12-year-old 100m runner in NSW!

John is off to Tasmania to represent NSW in the National Athletics Championships. At Kingswood South PS we love to celebrate and support success. On Friday 10th November, we are holding a mufti day fundraiser to help John with the cost of representing NSW in Tasmania.

For a gold coin donation, students are invited to dress as their favourite sports star. We will also be selling chocolate coated ice-creams for \$1.

To ensure we have enough chocolate coated ice-creams for all, we are taking pre orders. Please complete the slip below and return to the office by Wednesday 8th November 2023. Payments can be made to the office by cash, EFTPOS or online through the school website www.kingswoods-p.schools.nsw.gov.au, online payments.

We thank you for your support.

Kind regards

Miss S Martin
