It would be appreciated if all items are labelled with your child's name and please remember to check them regularly for replenishment.

Office-Enrolments-Whole School Equipment List

Students may like to bring in the following items but these are not mandatory.

Gel pens	Textas maximum 24 – no sharpies or permanent markers
----------	--

To assist with the running of your child's classroom, we ask if parents could please donate the following items.

2 boxes of tissues	Hand sanitiser	Paper Towel	2 packets of wet wipes	Chux clothes
--------------------	----------------	-------------	------------------------	--------------

The following items **should not** be brought to school.

Blu tac	Chewing gum	Liquid paper or white out tape	Electric hand held computer games or devices
Magazines	Hoodie jumpers and hat that are not school uniform items	Jewellery	Toys including Trading cards (these are brought to school at child's own risk of being lost, broken etc)

If your child requires a **Mobile Phone** for travel before and after school, it needs to be handed in to the office for safe storage upon arrival and collected at 2.45pm. **No mobile phones need to be in bags or in classrooms during the school day.**

Parents of students that keep medication at school, please ensure that the medication you provided the office has not expired and there is enough for your child for the new school year. If your child requires Ventolin at school, please replace the Ventolin puffer each year to ensure it has not expired and is not empty.

We hope this will be helpful in assisting you to equip your child for a successful year at Kingswood South Public School.

Kind Regards,

Ms Sandra Martin
Principal
