## Penrith Cup 2024

Dear Parents and Carers,

Kingswood South Public School will be participating in the Penrith Cup this year in place of Gala Days. The Penrith Cup is a non-competitive learning event that includes all students in years 3-6. Students play in teams throughout the day, competing against other schools, all while immersing themselves in the sport.

The four Penrith Cup events we will attend this year include:

Term 1- **Penrith Cup Cricket**- Tuesday 2<sup>nd</sup> April 2024 9.00am-2.30pm

Term 2- **Penrith Cup League-Tag** - Tuesday 21<sup>st</sup> May 2024 9.00am-2.30pm

Term 3- **Penrith Cup Soccer** – Tuesday 13<sup>th</sup> August 9.00am-2.30pm

Term 4- **Penrith Cup AFL**- Tuesday 5<sup>th</sup> November 9.00am-2.30pm

(Note; above dates are subject to change due to weather condition)

For this term our current Sporting Schools Program focuses on cricket, and the weekly school sports program will involve teaching students how to play a modified version of the game. Future sporting programs at school will align with the Penrith Cup for each term.

Permission notes, event locations and further details will be provided to families closer to the date of each event.

Regards,

Ms Martin
