School Swimming and Water Safety Program EXPRESSION OF INTEREST SURVEY

Dear Parents and Carers,

Each year KSPS offer a School Swimming and Water Safety Program which is run from Penrith Ripples. The program involves a 1 hour swimming session per day for 10 days straight.

Unfortunately, the cost to run the program involves daily entry to the pool and transport by bus to and from the venue. With the increase in bus charges, the cost will be approximately \$140.00 per student for the 10 day event, \$14.00 per day.

We understand that this is a large cost to our families and would like to survey our parents before we commence booking to ensure we have enough interest in the program.

If we have 50 students who would like to go and can pay the required amount, we will be able to proceed.

The program is for students from year 2 to year 6. Our current booking is from Monday November 25th to Friday December 6th.

Could you please complete the survey and return your answers to the school by Friday 20th September.

Kind regards,

Ms S Martin
Principal

Mrs S Ferrier
School Administration Manager
